

Individuals - PCA

Dim2 (21.5%)

Dim1 (35.6%)

Opt (blue circles) and P10 (cyan triangles) groups are separated along Dim1. Opt individuals (P01, P02, P03, P04, P05, P06, P08, P09) are clustered on the left, while P10 individuals (P07, P08, P09, P10) are clustered on the right. A dashed line indicates the separation between the two groups.
